
MEET OUR BEHIND THE BALL RECIPIENT

Rhonda Mabe

Meet Rhonda Mabe, a true embodiment of courage and strength. Rhonda was diagnosed with triple negative breast cancer in May of 2023. She is the Owner and Cosmetologist of Headlines Salon. She is married to Robin and they have 3 kids; Raven (44), Dylan (42), and Robin (41). Rhonda has been fighting this battle like a true warrior and always has a smile on her face and a positive attitude.

Rhonda's cancer was caught through her yearly mammogram. Dr. Williams at New Horizon Cancer Center performed her surgery and she completed all of her chemo sessions there. Her test showed she was cancer free and in between, she had COVID-19 and cellulitis. She just completed her radiation with Dr. Jones in Valdese. She will return soon to Asheville for her scans, ultrasound, and bloodwork.

Let's come together to support Rhonda!
